NATURAL BORN IDIOTS

선 천 적 얼 간 이 들

EP. 1 _ 할로 에부리완
HELLO EVERYONE

I'm one of those people who like bizarre accent

Especially the "Blended accents" which are accents mixed with the speaker's 1st language

Such as

Dat tis not mua problom
That is not my problem.
Eastern Europe Mafia accent

Tokkh to Yoah prezidan
Talk to your president!
Middle East Terrorist accent

Bosss wantz tu ssi Jiu
Boss wants to see you.
Mexican Drugdealer accent

Why? They're good...
those third world accents.

Well, I'm not saying that
criminals are good...

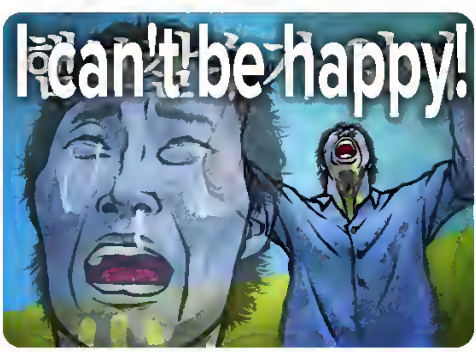
...But those people *are* in movies a lot.

Not only those, but I also like Americans with strange accents.

I've tried putting my bizarre preferences into practice...

Nagasaki Jjamppong. A red, Chinese noodle soup with seafood, modified in various ways. See theramenrater.com
While "Ni Gaesaeki" means "you son of a bitch."

...But nobody responds to it.



And finally, two role models...

KwaJjitKwaJjit.

//TN A meme made, using a funny accent, from the name of a Korean-American actor, Gwak Jinsoo The last three cuts are from the series, "Lost"

Panel from "Fury" by Tang Jia San Shao
